

GROUP SWIM LESSONS

We are excited to bring back group swim lessons in small group formats. Due to the length of time many children have been out of the water, we will be registering students for their AGE LEVEL and will then test them on the first day to decide where each swimmer would best be suited. This will look very different than we have offered in the past so please be sure to inquire directly with questions. We will be offering one toddler class ages 18 months to 3 years old accompanied by a parent, one combined preschool class for ages 4 and 5 years old accompanied by a parent and Levels 1 thru 3 for ages 6 thru 10 years old. Please see offerings below. Aquatics Coordinator, Mary Church is available to answer questions via phone (419-663-6775 ext 1030) or email (mchurch@norwalkoh.com) for your convenience. As we add instructors to our staff, we will get back to a point of more class offerings. Thank you for your patience and understanding!
